

The TeelTech Sireda Set of adapters offers digital forensic examiners an easy-to-use, and cost-effective solution for reading memory chips extracted from today's smartphones. Inserted into an SD Card Reader, and using a forensic software, the TeelTech Sireda Chip Readers, enable examiners to get a complete read of the chip.

TeelTech SD Chip Reader Kit eMMC

1. eMMC - 11.5 X 13 X 0.5mm with SD Adapter (compatible 153 and 169)
